Elimination MB-B Specifications

In 2015 we started with the first batch of MB-B elimination. Affected was the MB-B range from 405 to 407.

Now we continue with the MB-B range:

- 410
- 412
- 415
- 420
- 425

Please refer to the overview in the "**Product Information 2017/01**".
